POWER AND HANDLING

From city streets to off-road trails, the Outlander is ready. Its Drive Mode Selector with up to 6 drive modes lets you optimize performance for the terrain, offering settings like Eco, Normal, Tarmac, Gravel and Snow, plus Mud (exclusive to S-AWC equipped models)¹. The 2.5L engine delivers a balance of power and efficiency, boosting both horsepower and torque. Plus, experience confident control with responsive dual-pinion electric power steering and a smooth, refined ride thanks to the upgraded suspension's lightweight, high-rigidity components.

TOWING

Tow with confidence! The Outlander's available towing package, featuring Trailer Stability Assist, keeps your trailer steady and secure. With a 2,000 lb. towing capacity, you can haul everything from bikes and cargo to even a small camper or jet ski.²

MULTI-VIEW CAMERA SYSTEM

The vehicle 360° camera view reduces your blind spots and allows you to park easily and confidently in almost any setting.⁹

ADVANCED SAFETY FEATURES

The 2025 Outlander comes standard with advanced safety technology, including Active Blind Spot Assist (which alerts you to vehicles in your blind spot) and Rear Automatic Emergency Braking (which helps prevent backing collisions)⁵. It also features Forward Collision Mitigation, alerting you to potential front collisions and automatically braking if necessary.⁶

TECHNOLOGY

IN-VEHICLE ENTERTAINMENT

Front-row access with the 12.3" Smartphone-Link Display Audio with Navigation offers a seamless, integrated driving experience.

Immerse yourself in the standard Dynamic Sound Yamaha® Premium audio system – the first in-car audio system of its kind in North America. Seamlessly connect your iPhone or Android wirelessly with Apple CarPlay®¹⁰ and Android Auto™¹¹ and access all your favorite apps. Keep your devices charged with the Outlander's redesigned available 15W wireless charging pad.

PREMIUM CONCERT SOUND

With built-in concert-like sound from the standard Dynamic Sound Yamaha system, Android Auto™¹¹ connectivity, and wireless Apple CarPlay¹⁰, the 2025 Outlander is truly an immersive musical experience. Beyond that, impressive features include an available Head-Up Display and available Dynamic Sound Yamaha Ultimate 12-speaker audio system equipped with a Yamaha Digital Signal Processor (DSP) that ensures optimal audio tuning for every seat.

SUPER ALL-WHEEL CONTROL (S-AWC)¹

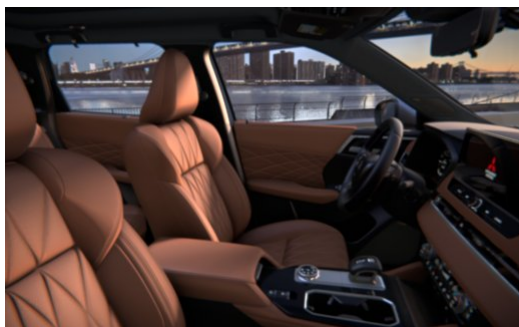

Perfected after decades of being put to the test on the rally course, Mitsubishi's available, signature Super All-Wheel Control (S-AWC) system is the evolution of 4WD technology. S-AWC improves handling and stability by monitoring the Outlander's movements during accelerating, cornering, and braking while keeping you comfortable and confident behind the wheel. The Outlander's Drive Mode Selector adapts to different terrain and weather conditions with the simple turn of a dial. By choosing between up to six drive modes - Eco, Normal, Tarmac, Gravel, Snow, and Mud (S-AWC only) - you can optimize driver control for a variety of surfaces and situations. Plus, each mode stays in sync with your unique driving style to help you take command of any road.

INTERIOR

INSIDE YOUR OUTLANDER

Step inside your 2025 Outlander for next-level comfort and premium details. Enjoy personalized comfort with eight power seat adjustments, plus customizable mirrors, digital cluster settings, and available leather or semi-aniline leather cushions – all tailored to your individual driving position. And don't forget: there's an available memory seat function key-linked to each driver.

7 SEATS

Start sharing your adventures with more people. Boasting standard third-row seating for up to seven, the 2025 Outlander is the perfect road trip vehicle with plenty of versatile room for everyone – and their luggage!

REDUCED NOISE AND VIBRATION

Immerse yourself in your music. The 2025 Outlander's quiet cabin, thanks to double-pane glass, enhanced sound insulation and vibration control, so that you can truly appreciate every note.

MY MITSUBISHI CONNECT™¹³

An innovative host of services designed to give you a more comfortable and safe driving experience. Safety services like Automatic Collision Notification, SOS Emergency Assistance, and Roadside Assistance¹⁴ keep you connected when it matters most, while convenience services like Smart Remote Start, Parental Control, and Car Finder help to reduce stress by simplifying your day-to-day drive. Plus, with myQ®¹⁵ Connected Garage, the in-dash touchscreen control lets you open/close your garage door from anywhere.

TRIPLE-ZONE CLIMATE CONTROL

Debates over the perfect temperature are a thing of the past. Available Triple-Zone Climate Control gives the driver, passenger, and rear passengers separate control over their own comfort zone.

CARGO CAPACITY¹²

Fold down the third row and the 2025 Outlander offers up to 64.3 cubic feet of cargo space. The extended door frame widths make loading and unloading a breeze, and the space itself is customizable, so you can organize your cargo how you like.

DIGITAL REARVIEW MIRROR WITH HOMELINK®

SEL PREMIUM / PLATINUM EDITION TRIMS ONLY

A frameless digital rearview mirror with integrated HomeLink button. This can interact with home lighting, a garage door opener or most external actuators. The innovative system uses a rear-mounted camera to provide a live video feed, giving you an unobstructed view of what's behind you, even with passengers blocking your traditional view. A quick flip of the lever lets you toggle between the digital view and the regular mirror. Drive more confidently with this game-changing technology.

Disclaimers

Computer renderings depicted. Actual production model may vary. Optional features shown. Available at additional cost. Information accurate at time brochure is generated but is subject to change. Visit mitsubishicars.com or see your local Mitsubishi Motors dealer for complete details.

1. Available feature. Super All-Wheel Control (S-AWC) adds Active Yaw Control (AYC) to realize the AWC concept at a very high level. While this Integrated Vehicle Dynamics Control System manages the driving forces and braking forces of the four wheels to help realize vehicle behavior that is faithful to the operation by the driver under a variety of driving conditions, it is not a substitute for careful driving. S-AWC cannot prevent collisions or loss of traction in all conditions. Exercise caution so your full attention is given to vehicle operation in all road conditions.

2. Maximum tow rating of 2,000 lbs. when equipped with factory installed towing hitch. Vehicle load, other accessories and options may reduce maximum towing capacity and vehicle range. See vehicle owner's manual for details.

3. 2025 EPA Fuel Economy Estimates: 24 City/31 Highway/27 Combined for Outlander ES, SE, SEL 2WD, 24 City/30 Highway/26 Combined for Outlander ES, SE & SEL S-AWC. Actual mileage may vary with driving conditions. Use for comparison only.

4. Advanced Driver Assist Systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may not sound an alert, provide steering input, or apply braking. The driver must remain engaged with the driving task and monitor the environment at all times. See Owner's Manual for further information.

5. Available feature. The Blind Spot Warning (BSW) system, Rear Automatic Emergency Braking (Rear AEB) and Driver Attention Alert systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may not detect other vehicles, pedestrians, or objects correctly. Availability of advanced safety features varies by model, see dealer for details.

6. The Forward Collision Mitigation (FCM)/Pedestrian (PD) system is a driver aid only and is not a substitute for safe and careful driving. Under certain circumstances, the system may not detect other vehicles and/or pedestrians correctly.

7. MI-PILOT Assist™ is a driver assistance system only and is not a substitute for safe and careful driving. The driver must remain engaged with the driving task and monitor the environment at all times.

8. Available feature. The Adaptive Stability Control system is not a collision avoidance system or an automatic driving system. It is designed to use only limited braking and is never a substitute for safe and careful driving. Never rely solely on the Adaptive Stability Control system.

9. The Multi-View Camera System is a driver aid only and is not a substitute for visual confirmation. The view on the screen is limited and objects outside that view will not be seen.

10. Apple CarPlay®, Siri®, Apple Music™, and Apple Maps™ are trademarks of Apple Inc., registered in the U.S. and other countries.

11. Android Auto,™ Google Maps,™ and other marks are trademarks of Google, LLC.

12. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

13. Included for two years as a new Mitsubishi owner of a Mitsubishi Connect-capable vehicle. After the two-year trial, standard yearly subscription costs apply.

14. Services require My Mitsubishi Connect account, cellular connectivity, network compatible hardware, availability of vehicle GPS signal, and acceptance of My Mitsubishi Connect Terms & Conditions. Services depend on connection to and continued availability of compatible cellular network service, which is outside of MMNA's control. Services are not guaranteed or warranted in the event compatible cellular networks are shutdown, or in the event of any other unavailability of cellular connectivity that relies on existing vehicle hardware and technology. Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation., is timed from the date first sold or put into use, whichever is earlier. Coverage excludes winching of vehicles off road, vehicles disabled in rally racing or other competitive events and vehicles used for commercial purposes, such as police, taxi, route delivery, livery or daily rental services. Please see your warranty manual for details. MMNA reserves the right to limit and/or change available services.

15. myQ® Connected Garage is available on Outlander. You must have a trial or paid subscription to My Mitsubishi Connect® and myQ Connected Garage to use this service. myQ Connected Garage and My Mitsubishi Connect are available for use with Android Auto™ and Apple CarPlay®. The Chamberlain Group, Inc. owns myQ® word mark and logos, and any use of such marks by Mitsubishi is under license. Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation.

16. Available feature. The Head-Up Display system is a driver aid only and is not a substitute for safe driving. Never focus your attention only on the display while driving since you may fail to see pedestrians, other vehicles, and objects on the road.
