TRACTION & BRAKING

Discover superior agility and efficiency in the powerful, economical Outlander Sport, which delivers impressive handling and stability. This is a result of its anti-lock braking system, working in concert with four-channel Electronic Brakeforce Distribution (EBD)³, Active Stability Control⁴, and Traction Control Logic to provide superior traction, handling, and performance.

ALL-WHEEL CONTROL

Outlander Sport's standard All-Wheel Control (AWC) empowers you to confidently navigate gravel, snow, or highway by actively monitoring the road and directing power and braking to the wheels with the most traction.

CONTINUOUSLY VARIABLE TRANSMISSION

The Continuously Variable Transmission (CVT) system delivers power and acceleration with steady, gradual RPMs - making it easier on the engine while providing better fuel economy.

POWER MEETS EFFICIENCY

Whether you prioritize fuel efficiency or power, the Outlander Sport has you covered. The 2.0L MIVEC engine offers great balance with 148 horsepower while the SEL model's 2.4L MIVEC engine delivers enhanced performance.

IN-VEHICLE ENTERTAINMENT

Whether navigating city streets or exploring off-road trails, the Mitsubishi Outlander Sport keeps you connected. Available Apple CarPlay®¹² and Android Auto™¹¹ provide easy access to your favourite apps with just a few taps on the available Smartphone Link Display. Plus, get the ultimate in-car entertainment with the available three-month SiriusXM Platinum Plan trial subscription⁹, enjoying ad-free music, talk, news, and more.

ADVANCED DRIVER SAFETY SYSTEMS

The 2025 Outlander Sport comes with advanced safety features like Forward Collision Mitigation, which uses front Radar and a camera to monitor for obstacles, alert the driver, and automatically apply the brakes to reduce the likelihood of a collision. Additional safety features include Lane Departure Warning, automatic high beams, seven airbags, and Active Stability Control, which enhances vehicle handling using ABS, traction, and stability control.

ENHANCED SAFETY WITH OUR REARVIEW CAMERA

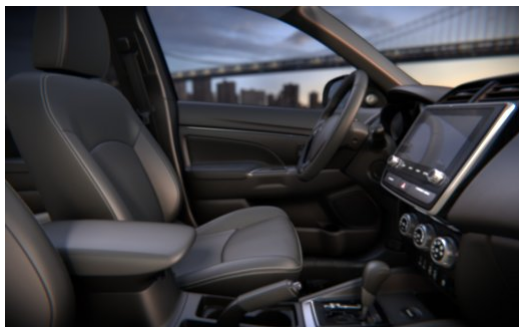

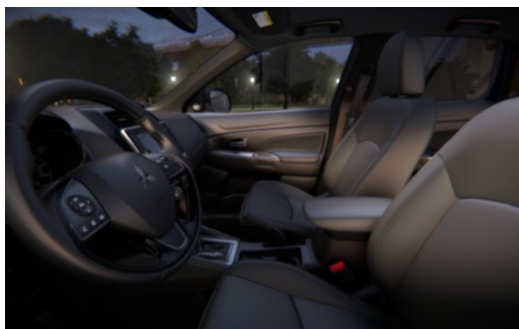

Hit the trail faster and with improved parking confidence. The Outlander Sport's standard rearview camera provides you with assistance during tight parking maneuvers, streamlining parking into a quick, seamless experience.

INTERIOR

INSIDE YOUR OUTLANDER SPORT

Experience the perfect blend of durability, style and comfort in the 2025 Outlander Sport. Enjoy a cozy interior with supportive seating, perfect for memorable road trips and adventures with up to five passengers to stretch out along the way.

5 SEATS

The Outlander Sport's interior is meticulously crafted to enhance every adventure, offering up to five supple leather seats for exceptional comfort on your journey.

BLUETOOTH WIRELESS TECHNOLOGY

Keep your hands on the wheel and your focus on the road. Bluetooth® and advanced speech recognition enable available hands-free voice commands for calls and music, controlled with a simple button press. View your information on the available 8" Smartphone Link Display⁶.

PUSH TO START

Say "goodbye" to the awkward keychain dangling from the steering column. Meet the available push-to-start feature.

AUTOMATIC CLIMATE CONTROL

No more debating what the perfect cabin temperature should be. Automatic climate control lets driver and passenger alike enjoy their very own settings.

CARGO CAPACITY

The 2025 Outlander Sport's 49.5 cu. ft of flexible cargo space behind the front seats ensures there's plenty of room for every dimension of your life – whether you're adventuring, commuting, or in your role as family chauffeur⁵.

DUAL USB PORTS

Charge your mobile devices during and after the drive with the two available easy-access USB ports up front and the available USB-A and USB-C ports in the back.

Disclaimers

Computer renderings depicted. Actual production model may vary. Optional features shown. Available at additional cost. Information accurate at time brochure is generated but is subject to change. Visit mitsubishicars.com or see your local Mitsubishi Motors dealer for complete details.

1. 2024 EPA Fuel Economy Estimates: 24 City/31 Highway/27 Combined for Outlander ES, SE, SEL 2WD, 24 City/30 Highway/26 Combined for Outlander ES, SE & SEL S-AWC. Actual mileage may vary with driving conditions. Use for comparison only.
2. All coverage terms are from the original in-service dates and are applicable only to the original owner of new, retailed models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles, whichever occurs first. See retailer for limited warranty and roadside assistance terms and conditions.
3. The Electronic Brakeforce Distribution (EBD) system is designed to enhance vehicle braking performance by optimizing the distribution of brake force among the wheels based on driving conditions, load, and traction. The effectiveness of the system may vary depending on factors such as road conditions, tire quality, vehicle maintenance, and driver behavior. The EBD system is not a substitute for safe driving practices. Always exercise caution, adhere to traffic laws, and consult the Owner's Manual for specific guidance on the EBD system.
4. Available feature. The Active Stability Control system is not a collision avoidance system or an automatic driving system. It is designed to use only limited braking and is never a substitute for safe and careful driving. Never rely solely on the Adaptive Stability Control system.
5. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. See vehicle owner's manual for details.
6. Available feature. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Mitsubishi is under license. Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation.
7. Advanced Driver Assist Systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may not sound an alert, provide steering input, or apply braking. The driver must remain engaged with the driving task and monitor the environment at all times. See Owner's Manual for further information.
8. Available feature. The Blind Spot Warning (BSW) system, Rear Automatic Emergency Braking (Rear AEB) and Driver Attention Alert systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may not detect other vehicles, pedestrians, or objects correctly. Availability of advanced safety features varies by model, see dealer for details.
9. The Forward Collision Mitigation (FCM)/Pedestrian (PD) system is a driver aid only and is not a substitute for safe and careful driving. Under certain circumstances, the system may not detect other vehicles and/or pedestrians correctly.
10. The Multi-View Camera System is a driver aid only and is not a substitute for visual confirmation. The view on the screen is limited and objects outside that view will not be seen.
11. Android Auto,™ Google Maps,™ and other marks are trademarks of Google, LLC.
12. Apple CarPlay®, Siri®, Apple Music™, and Apple Maps™ are trademarks of Apple Inc., registered in the U.S. and other countries.
