> WE'LL OBSESS OVER THE DETAILS. YOU ENJOY THE RIDE.

Here at Mitsubishi Motors, we always seek perfection. Kodawari, a Japanese word that translates to "in pursuit of perfection," is the underlying principle for everything we engineer, design and innovate. This philosophy is centered around three main pillars: passion, persistence and precision. In seeking our Kodawari ambitions, these pillars become core to each and every vehicle we create.

So, where do our fastidious nature and relentless idealism come from? The inspiration is simple: you. Our customers. The people who drive our vehicles. Those who appreciate uncompromising craftsmanship, attention to detail and a pioneering spirit. The ones who don't mind pushing boundaries, even if it means breaking the mold. Some call it idealistic, but for us, it's simply **Kodawari**.

> **KODAWARI**

PASSION IS A FIRE FROM WITHIN, AN INNER
CONVICTION THAT SOMETHING IS WORTHWHILE.
WE FOCUSED EVERY OUNCE OF OUR PASSION FOR
AUTOMOTIVE DESIGN ON THE 2024 OUTLANDER.

T H E 2 0 2 4 O U T L A N D E R

> GO ALL OUT

Go your own way in the 2024 Outlander. From top to bottom, it pushes the bounds of what an SUV can be. Evoking qualities of majesty and authenticity, the powerful front face sits high and wide, with substantial proportions and chiseled horizontal lines. Factor in the dramatic looks, iconic rear design and premium touches, and you'll have to get used to attracting second glances – and maybe even open stares. Featuring Mitsubishi's signature available Super All-Wheel Control¹ and a comfortably upscale interior with seating for up to seven, every detail of the Outlander is crafted to deliver more driving pleasure.

Undeniably modern and sophisticated, the 2024 Outlander is the kind of ride that's stylish, powerful and fun to drive.

> 01 CONFIDENCE FOR MILES

The 2024 Outlander is a result of countless hours of engineering expertise. The newly developed platform and suspension allow for effortless handling, creating a smoother ride for everyone. Plus, with a more rigid body structure, you can handle a variety of road conditions. Its 2.5-liter 4-cylinder engine delivers enhanced horsepower and torque distribution to give you seamless acceleration. Add the increased comfort and control that come with **Electric Power Steering** that adjusts in different drive modes, and the line starts to blur between where you end and the Outlander begins.

> COMMAND PERFORMANCE

All manner of roads are yours for the taking. Drawing on our rally car heritage, the Outlander’s **Drive Mode Selector** adapts to different terrain and weather conditions with the simple turn of a dial. By choosing between five drive modes – eco, normal, tarmac, gravel, and snow – you can optimize driver control for a variety of surfaces and situations. Plus, each mode stays in sync with your unique driving style so that you can take command of any road, anywhere.

> A WIN FOR YOUR WALLET AND MOTHER NATURE

EXPLORE
PERFORMANCE

The Outlander boasts an impressive combined rating of 27 MPG,² but did you know it can take fuel economy even further? Made for environmentally-conscious and fuel-efficient driving, activate the Outlander’s **Eco Mode** to reduce energy consumption and enjoy a cleaner ride.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> 02 WORKS HARD. PLAYS HARDER.

When you're this connected, getting there can be half the fun.

Equipped with **Android Auto**^{TM3} and available wireless **Apple CarPlay**^{®4} integration, the Outlander is a seamless extension of your smartphone, keeping you connected to your world on the move.⁵ The available Bose[®] speaker system with subwoofer turns the cabin into a mini auditorium, enveloping you and your passengers in crisp and clear sound quality. Plus, the Outlander's available wireless charging and USB connectivity ports mean you're never short on battery power.

Pre-Production Model Shown.

> LET MI-PILOT ASSIST™ BE YOUR GUIDE

Available **MI-PILOT Assist**⁶ is an advanced technological solution that takes the stress out of driving. Combining **Adaptive Cruise Control**⁷ with **Lane Keep Assist**⁶ and **Embedded Navigation**,⁶ this driver-assist system helps you stay centered on the road. MI-PILOT Assist™ includes features that can adjust steering input, reduce speed to safely navigate curves and keep pace in stop-and-go traffic. That means you can enjoy longer and safer road trips without tiring out.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> LET YOUR TECH TAKE CENTER STAGE

The Outlander's available **12.3" digital display** is located in front of the driver to provide effortless access to vehicle status, navigation and entertainment. With multiple views to choose from, you can customize the high-resolution screen to your preference, while the available **9" center touchscreen** is raised high on the dash, making it easy to see and use. On top of all that, the available **10.8" Head-Up Display⁸** puts a wealth of helpful data right on the windshield, so you can enjoy the ride without taking your eyes off the road.⁵

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> CONNECTIVITY AT YOUR SERVICE

EXPLORE
TECHNOLOGY

My MITSUBISHI CONNECT™⁹ is an innovative host of services that keep you connected to your Outlander anywhere you go. Streamlining your drive with everyday conveniences, you can start the engine and **Smart Remote Start** will bring the cabin to a comfortable temperature in all seasons. Plus, safety services like **Automatic Collision Notification** and **Parental Controls** are there to help when it matters most.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> 03 SAFETY FEATURES FROM EVERY ANGLE

Equipped with multiple standard **Advanced Driver Assistance Systems**,¹⁰ the 2024 Outlander prioritizes top-class safety. This can be seen in features like **Blind Spot Warning**,¹¹ which monitors vehicles approaching your blind spot and notifies you with a light in the corresponding side mirror. If your turning signal goes on, the light flashes and a warning sounds. Should you then try to change lanes, available **Blind Spot Warning with Lane Change Assist**¹¹ will apply the brakes, helping to avoid potential collisions.

Forward Collision Mitigation with Pedestrian Detection¹² scans for obstacles in your path and applies the brakes if it anticipates a risk of collision. And, thanks to **Rear Cross Traffic Alert and Rear Automatic Emergency Braking**,¹¹ the Outlander covers your back too. Rear sensors detect nearby objects and sound an alert if anything gets too close, attempting to bring your vehicle to a stop. These integrated systems help to safeguard you and your passengers.

> SEE ALL SIDES

The Outlander’s available **Multi-View Camera System**¹³ helps you confidently maneuver tight corners and navigate parking lots with ease. Using cameras mounted on the front, rear and side of the vehicle to create a composite image, the system creates a 360° view of your surroundings. With a better parking vantage point, getting around hard-to-see areas becomes a lot more convenient.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> **THERE FOR YOU WHEN YOU NEED IT**

Outlander's eleven airbags,¹⁴ including front, driver's side dashboard, side-curtain airbags, and driver's seat mounted front-centering airbag, provide a layer of protection in the event of a collision.

> **KODAWARI**

PERSISTENCE IS THE ABILITY TO KEEP GOING.

THE DEDICATION AND COMMITMENT THAT

DOESN'T BACK DOWN FROM A CHALLENGE. THIS

OUTLANDER IS A GAME-CHANGER, PUSHING THE

LIMITS OF WHAT'S POSSIBLE.

> 04 OUTWARD EXPRESSION

The Outlander is made to be seen. The dynamic front shield and distinctive horizontal lines create a powerful impression, while substantial proportions and a solid stance reflect its straightforward, reliable attitude. The jet tail fin and sloping contours are a nod to Mitsubishi's rally car heritage, while the new rear design is instantly iconic, courtesy of the signature T-shaped tail lights and sculpted hexagon motif. The evolved look means the 2024 Outlander doesn't just catch attention – it commands it.

> SKY'S THE LIMIT

Embrace the day with open arms – and an open roof. Spanning an impressive length, the Outlander features an available power panoramic sunroof. Enjoy sweeping views of your surroundings as the large glass roof fills the space with natural light, bringing the outside in.

> ELEVATE EVERY JOURNEY

EXPLORE
EXT. DESIGN

The 2024 Outlander's bold presence is enhanced by its available top-class, large-diameter **20" wheels**. With plenty of grip and capability, they embody the vehicle's distinctive sense of athleticism and high performance.

> 05 YOUR INNER SANCTUARY

Simple, modern and spacious, the Outlander's interior channels Japanese hospitality, or **Omotenashi**. The steering wheel design reduces clutter, while broad surfaces, soft materials and diamond-stitched leather create an atmosphere of refined elegance. There's even been special attention paid to create a tactile and pleasing feel to the knobs, dials and buttons. From unique design details to premium touches, the calm upper-class cabin is the true definition of a sanctuary.

> IN CASE OF CARGO

Rare in its class, the 2024 Outlander comes equipped with three rows of seating to carry up to seven passengers. Designed for maximum space, your whole crew will appreciate the extra elbow room. Plus, the customizable storage means the roomy dimensions don't just apply to people, with **30.6 cubic feet of cargo space** behind the second row and extended door frame widths that make it easy to load and unload whatever you want to take with you.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> MORE COMFORT, LESS COMPROMISE

EXPLORE
INT. DESIGN

Configure every ride to your liking, especially when it comes to seating and temperature preferences. With available eight unique power seating adjustment options and memory function for the driver's seat, the 2024 Outlander perfectly conforms to your own individual settings. Meanwhile, available **Triple-Zone Climate Control** lets you and your passengers control temperature and airflow in your specific space. It's personal comfort that caters to you.

GENERAL DISCLAIMER: Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

1. Available feature. Super All-Wheel Control (S-AWC) is not a substitute for careful driving. S-AWC cannot prevent collisions or loss of traction in all conditions. Exercise caution so your full attention is given to vehicle operation in all road conditions. **2.** 2024 EPA Fuel Economy Estimates: 24 City/31 Highway for Outlander ES, SE, SEL 2WD, 24 City/30 Highway for Outlander ES, SE & SEL S-AWC. Actual mileage may vary with driving conditions. Use for comparison only. **3.** Available feature. Android™, Android Auto™, Google™, Google Play™, Google Maps™, Google Assistant™, Google Home™ and other marks are trademarks of Google LLC. Distracted driving is dangerous. Restrict use connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. Restrict use of connected devices to safe times and always caution so your full attention is given to vehicle operation. **4.** Available feature. Apple CarPlay®, Siri®, and Apple Music® are trademarks of Apple Inc., registered in the U.S. and other countries. iPhone is a registered trademark of Apple Inc. Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. **5.** Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. **6.** MI-PILOT Assist™ is a driver assistance system only and is not a substitute for safe and careful driving. The driver must remain engaged with the driving task and monitor the environment at all times. **7.** Available feature. The Adaptive Stability Control system is not a collision avoidance system or an automatic driving system. It is designed to use only limited braking and is never a substitute for safe and careful driving. Never rely solely on the Adaptive Stability Control system. **8.** The Head-Up Display system is a driver aid only and is not a substitute for safe driving. Never focus your attention only on the display while driving since you may fail to see pedestrians, other vehicles, and objects on the road. **9.** Included for two years as a new Mitsubishi owner of a My MITSUBISHI CONNECT™-capable vehicle. After the two-year trial, standard yearly subscription costs apply. **10.** Advanced Driver Assist Systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may not sound an alert, provide steering input, or apply braking. The driver must remain engaged with the driving task and monitor the environment at all times. See Owner's Manual for further information. **11.** Available feature. The Blind Spot Warning (BSW) system, Rear Automatic Emergency Braking (Rear AEB) and Driver Attention Alert systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may

not detect other vehicles, pedestrians, or objects correctly. Availability of advanced safety features varies by model, see dealer for details. **12.** The Forward Collision Mitigation (FCM)/Pedestrian Detection (PD) system is a driver aid only and is not a substitute for safe and careful driving. Under certain circumstances, the system may not detect other vehicles and/or pedestrians correctly. **13.** The Multi-View Camera System is a driver aid only and is not a substitute for visual confirmation. The view on the screen is limited and objects outside that view will not be seen. **14.** Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, always wear your seat belt, sit upright in the middle of the seat, keep feet on floorboard, and do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear-facing infant restraint in the front seat. See your owner's manual and the instructions provided with your child restraint for additional information. **15.** All coverage terms are from the original in-service date and are applicable only to the original owner of new, retailed models purchased from an authorized Mitsubishi retailer. Subsequent owners receive the balance of the Limited Warranty of 5 years/60,000 miles. See retailer for limited warranty and roadside assistance terms and conditions. **16.** Timed from the date first sold or put into use, whichever is earlier. Coverage excludes winching of vehicles off road, vehicles disabled in rally racing or other competitive events and vehicles used for commercial purposes, such as police, taxi, route delivery, livery or daily rental services. Please see your warranty manual for details. MMNA reserves the right to limit and/or change available services. **17.** Included on 2024 model-year Mitsubishi Motors vehicles sold in the United States. Includes the following services and parts: 1st service (12-months/12,000 miles) – oil and filter changes, tire rotation, and multi-point inspection; 2nd service (24-months/30,000 miles) – oil and filter changes, tire rotation, cabin air filter change, and multi-point inspection; 3rd service (24-months/30,000 miles) – oil and filter changes, tire rotation, and multi-point inspection. Mitsubishi Motors genuine oil and parts only. Services and parts not specified herein are excluded. Valid only for original owner of new, retailed 2024 model-year Mitsubishi Motors vehicle purchased from an authorized Mitsubishi Motors dealer in the United States, and not transferrable to any subsequent owner. Service not redeemed within specified time/mileage window is forfeited.
